A Complete Course Platform

XanEdu's FlexEd is an enhanced digital learning platform that provides engaging content for students and easy to use course management tools.

FlexEd College Success begins with quality core content written by experienced college success instructors and researchers. Experienced educators worked with XanEdu to carefully select and develop videos, supporting materials, activities and adaptive assessments to guide students to mastery of each topic. Instructors can add, delete, or customize any content with FlexEd's simple drag and drop interface.

Instructors can offer individualized student support through FlexEd's easy to use dashboard that features integrated text and email communications tools.

XanEdu's FlexEd has been thoughtfully designed to minimize instructor prep-time and improve outcomes while keeping students on track.
