

weSIGN ASL & Deaf Perspectives

XanEdu's FlexEd is an enhanced digital learning platform that provides engaging content for students and easy to use course management tools.

A Complete Course Platform

FlexEd weSIGN (ASL & Deaf Perspectives) begins with quality core content written by experienced American Sign Language instructors and researchers. Experienced educators worked with XanEdu to carefully select and develop videos, supporting materials, activities and adaptive assessments to guide students to mastery of each topic. Instructors can add, delete, or customize any content with FlexEd's simple drag and drop interface.

XanEdu's FlexEd has been thoughtfully designed to minimize instructor prep-time and improve outcomes while keeping students on track. Instructors can offer individualized student support through FlexEd's easy to use dashboard that features integrated text and email communications tools.

FlexEd Benefits for Instructors:

90% of students who use FlexEd successfully complete their course.

XanEdu FlexEd Features

COMPLETE COURSE MATERIALS

A complete course – built from applied social, motivational, and adaptive learning research around how people learn best. Student mastery is supported by in-depth text, quizzes, video activities, discussions and more.

CURATED VIDEOS

SME-curated instructional videos help students grasp important concepts and increase student motivation. Each video is paired with a written explanation to compliment the video content.

MODULAR & EDITABLE

Point-and-click editing allows instructors to easily incorporate their own materials, flashcards, video, documents, personalized assessments, and more.

ASSESSMENT & ANALYTICS

Get real-time updates on student engagement and performance. FlexEd metrics enable early intervention for at-risk students, helping to increase retention rates.
