Please note re. out-of-print books:

- *Important note: An out-of-print reprint is NOT a new edition.*
- *Where possible, a scan of the introduction section of the text, or a physical copy of the book, is requested to complete an out-of-print request.*
- *While we often do receive permissions to reprint an out-of-print text, this reprint is always provided at the discretion of the copyright holder. We do our best to secure the appropriate permissions, however, it is not guaranteed that permissions can always be secured. We will advise you of the copyright holder's decision.*
